Why?

If I were to tell you about an organized youth
baseball league, you might call it...

...ordinary

If I were to tell you the athletes are physically and
mentally challenged, you might call it...

...touching

If you were to see them play you would call
it nothing short of...

...A MIRACLE

This special field is making miracles for so many families a
reality! We want you and your family to be a part of it!

Proceeds benefit the Miracle League of Victory Lane
